WORK EXPERIENCE

ShadowFox Inc.

Python Developer Intern

January 2025 - February 2025

- Utilized Python programming skills to create automated scripts, integrating with APIs to streamline task execution.
- Enhanced code efficiency and collaborated in debugging efforts to identify and resolve performance issues.

EDUCATION

Priyadarshini Engineering College

Bachelor of Engineering (CSE) - 8.95

Nov 2022 - July 2026

Developed expertise in programming, Cloud Computing, and software design. Strengthened problem-solving skills by working on real-world projects and optimizing system performance.

Al-Ameen Matric.Hr.Sec.School

Higher Secondary Education (HSC) - 83%

June 2020 - April 2022

Built a strong foundation in Mathematics, Computer Science and problem-solving, enhancing analytical and logical thinking for a career in technology

PROJECTS

FreeFireXperTrade [🔗](#)

Jan 2025 - Feb 2025

Dedicated website for Free Fire enthusiasts, built using **HTML, CSS, JavaScript, and PHP**. Features include gameplay tactics, eSports insights, and a trading platform for in-game IDs. Designed a user-friendly interface with a black and gold theme to enhance the nostalgic Free Fire experience.

Personal Portfolio [🔗](#)

Dec 2024

Designed and developed a personal portfolio website for a client, using **HTML, CSS, JavaScript, and React.js**. Created a visually appealing, responsive, and user-friendly interface to showcase the client's skills, projects, and achievements.

SKILLS

Frontend Development: Proficient in **HTML, CSS, JavaScript**, and frameworks like **React.js**, ensuring responsive and interactive user interfaces.

Database Management: Skilled in **MySQL and PHP** for designing and managing structured databases.

UI/UX Design: Understanding of **Figma** and modern design principles to create visually appealing and user-friendly interfaces.

Problem-Solving: Strong analytical skills to identify, debug, and resolve coding issues efficiently, ensuring optimal software performance.

Adaptability: Quick learner who stays updated with emerging technologies to improve development efficiency.

Critical Thinking: Ability to assess challenges logically, break down complex problems, and implement effective, scalable solutions.
